

# Becoming a partner of the Education & Solidarity Network

Education  
& Solidarity  
Network 

## Procedures and benefits for your organisation

You wish to associate your organisation,  
its activities, and its corporate image

- To the development around the world of **social protection systems** based on solidarity, democracy and non-profit,
- To an international **promotion and education initiative on health and social protection issues**.

There are three ways for your organisation to get involved,  
by contributing tangible assets or know-how

- As a **permanent partner** of the Network in its operations ;
- As an **honorary partner of an event** (conference, seminar, etc.) ;
- As a partner for the duration of **one or several projects** that you wish to support.

As a Network partner you will receive the following benefits :

| Your contribution is equal to or greater than :        | € 5 000 | € 10 000 | € 20 000 |
|--|---------|----------|----------|
| • Link between network and partner websites            | ✓       | ✓        | ✓        |
| • Partner information included in event documentation* | ✓       | ✓        | ✓        |
| • Annual meeting between partners and founders         | ✓       | ✓        | ✓        |
| • Logo displayed on all network material *             |         | ✓        | ✓        |
| • Invitation to and display booth at events*           |         | ✓        | ✓        |
| • Speaking time allotted at events*                    |         |          | ✓        |

\* Partners will choose the level of their involvement, either through events and/or publications linked to a specific project or more broadly. Network materials are the website, information letters, publications linked to projects (training and educational materials, expert quotes, good practice charts and guides).
