Special Issue 2016 coming up

- ✓ *Current approaches and critical perspectives*

RESEARCH

EVIDENCE

PUBLISHING

The Danish School of Education (DPU), Aarhus University hosts the SHE Research Group consisting of about 100 researchers from all over Europe and beyond. It aims to initiate, support and facilitate transdisciplinary empirical, conceptual and theoretical development and increase the visibility of the high quality research within the SHE field in international academic publications.

Venka Simovska, Professor, DPU/AU
